Day of Prayer for the Legal Protection of Unborn Children

January 22, 2024

A great prayer for life is urgently needed, a prayer which will rise up throughout the world. Through special initiatives and in daily prayer, may an impassioned plea rise to God, the Creator and lover of life, from every Christian community, from every group and association, from every family and from the heart of every believer.

Pope Saint John Paul II

God, author of all life, bless, we pray, this unborn child; give constant protection and grant healthy birth that is the sign of our rebirth one day into the eternal rejoicing of Heaven...

~excerpt from the Prayer of Blessing
