## This Week on FORMED:

*Lourdes: Story of Faith, Science, & Miracles*

In the late 1990's, a non-Christian French journalist, Bernard Guillaumet, was tasked with writing about Lourdes. His journey took a profound turn when his wife Claire miraculously healed from terminal tuberculosis by the waters of the Lourdes grotto. This captivating film weaves together the stories of Bernadette, Henry, and Bernard - three lives united by faith and the mysterious designs of Providence.
