Discerning God's Will

"How do I know what God wants?" Knowing the will of God can be an intimidating topic for people of all ages. In this talk, Fr. Larry Richards, the founder of "The Reason for Our Hope" foundation, delves into the process of discernment. With personal stories, practical steps, and sound advice, Fr. Larry encourages all of us to dedicate ourselves to living in accordance with God's plan for us. Living this way will truly make us happy, because we will be oriented toward Heaven.

Baptism!

Welcome, Winona Sue Miller! Congratulations on your baptism and also congratulations to the parents, Aden and Savannah Miller, and the Godparents, Wade Piecha and Abby Ruffing! As a Church, let us always remember her in our prayers as she begins her walk with Christ, as well as the adults entrusted to help her on this new walk.

EASTER CARDS!

If you would like to submit a drawing for a chance to be on the parish Easter card, please submit your entry by March 2nd. Anyone in grades 5-12 can participate.

ARE YOU READY FOR LENT?

On Ash Wednesday and Good Friday, fasting rules allow Catholics to eat only one full meal and two smaller meals which, combined, would not equal a single normal meal. Additionally, we may not eat meat on these 2 days or on any Friday during Lent. Ages 18-59, in reasonable health, are required to fast on these 2 days. Ages 14 and older must abstain from meat on Fridays. Canon Law does mention that for young children not fasting, parents should still communicate the meaning and penance. Children and adults with physical and mental illness, pregnant women, and all nursing mothers are exempt.

WHY DO WE FAST?

To join in Christ's suffering by imitating His 40 day fast before the crucifixion, to detach from worldly things and overcome the desires of our flesh with the help of God, to practice self-discipline, and to make room for God in our life while growing in virtue.

CALAMITY DAYS

It's hard to believe that we might actually have a full week this week with all of the snow days we've been having! Hopefully, we are past all of the delays and cancelations because we only have 12 calamity hours to work with which only allows for one more cancellation and a couple delays. Please be aware that if we were to exceed this number of hours, we will need to make up the time. Luckily, we have two school days built into the schedule that we could use as make-up days since USEVS is still in session allowing us to still have bussing. These days are March 14 and April 22. As of now, we still plan to take these days off from school. You will receive specific communication informing you whether we will be using these days to make up for lost instructional time.

QUEST TEACHER OF THE YEAR NOMINATIONS

The past couple of months have been a struggle to keep everyone healthy with all of these sicknesses going around! The Health Department highly recommends that your child stay home if they have a fever, cough, extreme headache, stomach pain, lack of appetite, or exhaustion. Thank you!

SAINTS OF THE WEEK

*St. Katharine Drexel - March 3rd. What we can learn from her story: “Saints have always said the same thing: Pray, be humble, accept the cross, love and forgive. But it is good to hear these things in the American idiom from one who, for instance had her ears pierced as a teenager, who resolved to have “no cake, no preserves,” who wore a watch, was interviewed by the press, traveled by train, and could concern herself with the proper size of pipe for a new mission. These are obvious reminders that holiness can be lived in today’s culture as well as in that of Jerusalem or Rome.

*Sts. Perpetua and Felicity - March 7th - Patron Saint of widows and mothers of deceased sons.

*St. John of God - March 8th - Patron Saint of booksellers, firefighters, heart patients, hospitals, nurses, printers, and the sick.
