- Membership terms to this council for next year and beyond were confirmed by all members present.
- “Theology On Tap” was explained. It is a gathering of 21 year old or older women and men. This is an opportunity to get together to socialize and discuss questions about the Catholic faith while having a beer or soda. More information about time and locations will be coming.
- RCIA for cradle Catholics was also mentioned.
- Update on the status of there being a Junior High School at St. Peter’s school. There are still meetings/ discussions going on regularly. No final decision has been made yet.
